

Demonstration of Accomplished Practices – Competency 5, Grades K-12

Dates & Times: Online: This 60-hour online, asynchronous course, divided into 20 modules.

COURSE DESCRIPTION:

Participants will, through a scaffolded curriculum and culminating practicum, demonstrate knowledge of the components of reading, as well as assessments and data analysis, to implement a self-planned, comprehensive research-based reading plan of instruction for all students. Participants will implement plans in their classrooms, discuss and reflect on instruction in learning forums, make adjustments to plans, and return to classrooms for more implementation as they engage in the systematic problem solving process.

STUDENT LEARNING OUTCOMES:

Upon completion of this course, the student will be able to:

- Design and develop a culminating curriculum for classroom implementation.
- Plan with and embed research-based reading concepts, assessments, strategies, and tools into plans to aid in implementation.
- Monitor student learning and make adjustments to curriculum as necessary to differentiate and individualize instruction.
- Use data to adjust planning and instruction.
- Select and articulate effective reading concepts and strategies that support student achievement to include the components of reading.

COURSE REQUIREMENTS:

Students will have a designated number of weeks to complete each course (check the Instructions forum at the start of the course as it varies from district to district), after which time they will be un-enrolled. If you need an extension, please email the instructor. Complete one module at a time. The system will auto-check the course components when the requirements have been met. Requirements include reading lectures, viewing video, and responding to discussion prompts or scenario prompts. Keep in mind that:

- Some course elements are optional such as grade-band video and resources, in which case you can toggle over the check box and self-check to keep a record of your progress.
- Certificates of Completion will be made available in the final module once all assignments are submitted, participation and hours requirements met.

In order to receive a Passing grade, the participant must complete the following course requirements:

- All discussion forums and/or scenario responses must include 1 original post to the question prompt and one to another student in the cohort.
- All video viewed. When there are several video divided by grade-band, select the appropriate and view.
- All books read in full, scrolling from beginning to end.
- All practice lessons and/or activities complete.
- All assignments complete (lessons or unit plans)
- Certificates will not be printable until all of the above conditions have been met, with a passing grade issued by the instructor.

Grade Scale:

Grading will be Pass/Fail: A minimum score of 80% will be required to pass.
